

PEANUT BUTTER FUDGE

2 cups powdered milk (vegans can use powdered soy milk)

3/4 cup honey

1/4 cup molasses

1 cup old-fashioned peanut butter

1 teaspoon vanilla

1 cup sesame seeds

Combine honey, molasses, peanut butter and vanilla and beat until well blended.

Stir in milk powder until a stiff batter forms. Add sesame seeds.

Press into greased 8 x 8 inch pan. Allow to set for a half hour and cut into squares.

Store in a tightly covered container to keep fudge from drying out.
